The PIO also submitted that in response to the appellant's aforesaid RTI application, the appellant was advised to specify the actual public authority, the o/o the CE(P), Eastern Zone Namsai or the CE(P), Itanagar but the letter was returned to the office of the CE(P), Eastern Zone with the remark, "**addressee not found**". The PIO also submitted that the o/o the CE(P), E. Zone, Namsai is not the Public Authority/ executing authority of the schemes against which the appellant has sought the information, the Executing authority being the o/o the Executive Engineer. The PIO, has thus pleaded for an appropriate direction to the appellant to file application a fresh before the PIO, o/o the Executive Engineer concerned at Division level.

This Commission, upon hearing the PIO and on perusal of the 2(two) applications, one as enclosed in the Memo of Appeal dt. 07.07.2026 before this Commission and other one filed before the PIO, o/o the CE(P), Eastern Zone, Namsai, found that the information/documents requested in the said two applications are, indeed, mismatched in view whereof it is not appropriate on the part of this Commission to pass any order to the instant PIO, more so, because the instant PIO is not the Public Authority concerned holding the requested information/documents (in either of the application).

Resultantly, this appeal stands closed, however, with liberty to the appellant to file fresh RTI application before the competent public authority(s) concerned.

Given under my hand and seal of this Commission on this 09th Sept., 2026
